## ***WELCOME JH Families!***

I hope your summer has been filled with fun, family, and relaxation! There certainly has been plenty of “**action**” at Jackson all summer long! JH has been redesigned to meet a new standard of student safety; with an emphasis on social distancing and the wearing of face masks. We have new drop off locations for grades and procedures due to the COVID Crisis. Students have been assigned specific drop off times and doors to enter in an effort to promote social distancing. Our custodians have spray-painted JH squares around the building to give students and families a safe spot to stand. Please see the arrival schedule below.
